

Federal Emergency Management Agency, DHS

§ 207.10

subgrantees in the State under sections 403, 404, 406, 407, 502, and 503 of the Stafford Act (42 U.S.C. 5170b, 5170c, 5172, 5173, 5192, and 5193, respectively):

(A) For the first 100,000 of total assistance provided (Federal share), 3 percent of such assistance.

(B) For the next 900,000, 2 percent of such assistance.

(C) For the next 4,000,000, 1 percent of such assistance.

(D) For assistance over \$5,000,000, one-half of 1 percent of such assistance.

(i) *State management administrative costs.* Except for the items listed in paragraph (b)(1)(i) of this section, other administrative costs will be paid in accordance with §13.22 of this chapter. The grantee and FEMA will share such costs under the cost share provisions of applicable PA and HMGP regulations.

(2) *Subgrantee.* The grantee may provide funds to the subgrantee to cover necessary costs of requesting, obtaining, and administering Federal disaster assistance subgrants, based on the following percentages of net eligible costs under sections 403, 404, 406, 407, 502, and 503 of the Stafford Act (42 U.S.C. 5170b, 5170c, 5172, 5173, 5192, and 5193, respectively), for an individual applicant (applicants in this context include State agencies):

(i) For the first \$100,000 of net eligible costs, 3 percent of such costs.

(ii) For the next \$900,000, 2 percent of such costs.

(iii) For the next \$4,000,000, 1 percent of such costs.

(iv) For those costs over \$5,000,000, one-half of 1 percent of such costs.

(c) *Eligible indirect costs:* (1) *Grantee.* Indirect costs of administering the disaster program are eligible in accordance with the provisions of part 13 of this chapter and OMB Circular No. A-87, if the grantee provides FEMA with a current Indirect Cost Rate Agreement approved by its Cognizant Agency.

(2) *Subgrantee.* No indirect costs of a subgrantee are separately eligible because the percentage allowance in paragraph (b)(2) of this section covers necessary costs of requesting, obtaining and administering Federal assistance.

(d) *Availability.* (1) For major disaster declarations, FEMA will reimburse

grantee eligible costs as described in this section at (b)(1)(ii) and (c)(1) for a maximum of 8 years from the date of the major disaster declaration or 180 days after the latest performance period date of a non-management cost PA PW or predecessor form or HMGP project narrative, respectively, whichever is sooner.

(2) For emergency declarations, FEMA will reimburse grantee eligible costs as described in this section at (b)(1)(ii) and (c)(1) for a maximum of 2 years from the date of the emergency declaration or 180 days after the latest performance period of a non-management cost PA PW or predecessor form, whichever is sooner.

(3) The reimbursement of grantee eligible costs as described in this section at (b)(1)(ii) and (c)(1) may be provided by FEMA after the periods of availability described in this section only at the written request of the grantee, with the recommendation of the Regional Administrator, and with the approval of the Chief Financial Officer. The grantee must include a justification in its request for further reimbursement, and must demonstrate that there is work in progress that can be completed within the extended period of reimbursement. In no case will reimbursement be provided after 180 days after the expiration of any performance period extensions granted under PA or HMGP for project completion.

§ 207.10 Review of management cost rates.

(a) FEMA will review management cost rates not later than 3 years after this rule is in effect and periodically thereafter.

(b) In order for FEMA to review the management cost rates established, and in accordance with part 13 of this chapter, the grantee and subgrantee must document all costs expended for management costs (including cost overruns). After review of this documentation, FEMA will determine whether the established management cost rates are adequate for the administration and closeout of the PA and HMGP programs.
